Protest Overruled - See APPROVAL OF STATE ENGINEER

Ruling #1648, dtd. 1/7/70

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the 1.0 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second

Actual construction work shall begin on or before October 2, 1970

Proof of commencement of work shall be filed before November 2, 1970

Work must be prosecuted with reasonable diligence and be completed on or before October 2, 1971

Proof of completion of work shall be filed before November 2, 1971

Application of water to beneficial use shall be made on or before October 2, 1973

Proof of the application of water to beneficial use shall be filed on or before November 2, 1973

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed.....
Completion of work filed.....
Proof of beneficial use filed.....
